

Exelon is pleased to host the 19th annual Configuration Management Benchmarking Group Conference in the Chicago area June 24 -27, 2012.

The conference is a great way to meet and share important information and experiences with other Configuration Management practitioners throughout the nuclear industry and government nuclear facilities. The theme of this year's conference is "Don't get blown away by CM issues". You can visit the CMBG website at <http://www.cmbg.org/> for information about this and past conferences.

As in the past, this year's agenda is filled with timely topics of true relevance to successful implementation of Configuration Management in our industry. If you haven't attended a CMBG conference before, you should make plans to attend this important event. Your participation and knowledge sharing will add significant value to the conference and allow you to learn many of the best industry practices in this area. The conference begins Sunday evening and ends at noon on Wednesday. A preliminary conference agenda has been established to include the following:

Presentations

- CM and CMBG History
- CM for Digital and Digital Upgrades
- INPO Perspective on CM Performance
- Temporary Configuration Changes
- NRC Presentation
- Vendor / Contractor Design Product (Control / Quality)
- Reconstituting CM
- New Plant – Turnover Process of CM Data from Contractor
- 2013 Conference Preview
- Audience Participation - Conference Wrap Up & Take Away

Breakouts

- CM for Digital Equipment and Systems
- Temporary Configuration Change
- Engineering Service Vendor Design Product Control/Quality
- New Build CM Program
- Facility Controlled Information (FCI) - (dwg control, D-Base control, Calcs)

Workshops

- New Plant – Document Turnover Process
- CM Fundamentals (CM-101)

The conference registration fee is only \$250. This includes a welcoming reception on Sunday evening, breakfast, lunch and refreshments daily and a social event Monday evening at [Lucky Strike](#).

Hotel Reservations

The CMBG rate is \$139.00 per night for guest rooms. The reservation cutoff date is June 3, 2012. After this date, reservations will be accepted as available and will be at the hotel's normal rates. You can register by calling the Westin Lombard Yorktown Center directly at 630-719-8000 or call their toll free number at 888-627-9031. Please specify that you are attending the "Configuration Management Benchmarking Group (CMBG) Conference", to get the conference rate.

This announcement is being distributed to CM practitioners listed on the CMBG database. If you are not the appropriate individual to attend this event, please forward this mailing to the person(s) responsible for CM at your facility. If you would like to be removed from this mailing list, please go <http://www.cmbg.org/> and submit the change to the Contacts database, or email your request to michael.hayes@exeloncorp.com.

We look forward to seeing you in the Chicago area this June. If you have questions, or would like more information about the conference, please contact me.
